SUBJECT: Notice of Determination in Compliance with Section 21152 of the Public Resources Code

State Clearinghouse No. (if submitted to State Clearinghouse): 2020040061

Project Title: Morrison Canyon Road Traffic Safety Project (City of Fremont File No.: PWC8981)

Project Applicant: City of Fremont Public Works Department (Attn.: Noe Veloso, Assistant City Engineer, Phone: (510) 494-4774, Email: nveloso@fremont.gov), 39550 Liberty Street, P.O. Box 5006, Fremont, CA 94537-5006

Project Location (include county): The middle segment of Morrison Canyon Road (between its intersection with Ridge Terrace and Vargas Road), City of Fremont, Alameda County, CA

Project Description: The project involves the permanent closure of an approximately 0.8-mile stretch of middle Morrison Canyon Road to private motor vehicles by the City of Fremont. The closure would be implemented through the installation of five to ten flexible plastic barricades with a hinged base. These barricades would be installed immediately east of the intersection of Morrison Canyon Road and Ridge Terrace and immediately west of the intersection of Morrison Canyon Road and Vargas Road. Pedestrians and cyclists would be able to bypass the barricades and utilize the closed roadway segment. Private motor vehicles and emergency responders would have continued vehicular access to the closed roadway segment during emergencies; most standard automobiles can drive over the flexible barricades, and would be permitted to do so in emergency scenarios. To support the roadway closure, the City would also install warning signage with solar-powered lights. All project components would be installed within the roadway or right-of-way.

This is to advise that the City of Fremont City Council adopted a resolution approving the above-described project on December 1, 2020, and made the determinations enumerated below regarding the project.

1. The project will will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Program was was not adopted for this project.
5. A Statement of Overriding Considerations was was not adopted for this project.
6. Findings were were not made pursuant to the provisions of CEQA.

This is to certify that the Environmental Impact Report is available to the general public at the above address or at <http://www.fremont.gov/430/Environmental-Review>.
